 These manures are the richest fertilizers
 manufactured, and the best substitutes
 for manure and coaling. *For the garden,*
 it is now practically *got* at the market.
 For example, they are *not* *Chimney* and
Guano, but *Permanence* and *Guano*,
 composed of bones, potash, etc. You
 know at once it is much better than
 any other manure. It is contained
 in loads of ordinary earthen manure.
 Potatoes, hay, etc., are raised at such
 prices that it will pay you the Stock-
 exchange. If there is no local
